DEAR ATHLETE

The Varenna Equestrian group is proud to bring you the 2026 Picco Horse Show once again.

We greatly appreciate all the support and feedback received at the conclusion of our horse show in 2025. Upon taking into close consideration all the responses received from the 2025 season, we are very pleased to present you with a horse show that we feel is built around the athlete, and the needs of the athlete at all levels.

The series encompasses adjustments to the Prize Book, the Schedule, the Fee Structure, and the all-around competition organization. Our goal is to provide a professional horse show that is tailored to the needs of the horses and the riders of the Alberta Equestrian Community. We wish to do so by providing a high-end facility that is inclusive and welcoming to all athletes.

We are extremely excited to welcome you all back to Varenna Equestrian for the 2026 season, and to see new faces joining us and sharing in our sport and vision.

All horses being brought on to the grounds must not have been in contact with any horses exhibiting any signs of illness within the last 14 days prior to the tournament. Horses are not permitted to come onto the grounds if they are stabled at a facility where any horses have been at a venue with a confirmed case of EHV (neurologic or non-neurologic) or any other transmittable illness/disease within the last 21 days prior to the tournament. Please avoid direct and/or indirect contact between horses, especially nose-to-nose contact and the use of common feed/water buckets.

The Varena Equestrian Team will closely monitor any developments regarding potential biosecurity issues for both horses and humans and will change the procedures and requirements for horses entering the grounds as needed. Changes may be made with little/no warning.

This policy only applies to professional photographers and does prevent spectators from using their cameras for personal family members. Spectators must also abide by the rules and regulations outlined in the policy below to ensure the safety of all exhibitors and vendors/photographers.
